

# SHIPPING

## *Shipping in the Netherlands*

Orders take approximately 1-4 business days and will be shipped out by PostNL. You will be notified of the tracking information after your order has been shipped. It can happen that packages may be delayed to be shipped in 6 business days due to unforeseen circumstances. If you are in a rush, please email us and we try to get it straight to you.

## *Type of order*

Small orders that fit an envelope will be shipped as mailbox package via PostNL: € 3,95.

Larger orders will be shipped as a standard package via PostNL: € 6,10.

Both type of orders will be send with tracking information.

## *Shipping worldwide*

For the most accurate shipping details per country, click [here](#).

Please note, for worldwide orders we will send small orders in an envelope. To guarantee you have low shipping costs for small buys like sunnies, it will be shipped as a letter **without tracking**.

Exception: Netherlands.

If you want a track and trace package for small orders, please email us and we can arrange it of course. Please keep in mind, it will be double the shipping costs.
